CASEY

Tally ho! Casey's Battle of Britain mad! "I've always fantasised about being one of those 1940s WRENS, pushing little model planes around a big map, while hunky handlebar-moustached RAF chaps chain smoke," she purrs. "In my fantasy when we've beaten the Germans, I'm ravished on the big map, screwed in every hole then spunked on!" Isn't that what they call an officers' mess?

Pyjama tarty

Recently, I got an email from one of my mum's mates. Her daughter was coming up to Sheffield for a gig and she wondered could I put her up for the night. I said yes but had a bit of a shock when I saw the girl: at nineteen, she was an absolute stunner.

When she got in after the gig, I had beer and pizza waiting, but before she sat down on the couch to eat, she changed into her pyjamas. I tried to behave myself - really I did - but when she started coming on to me, I caved pretty much straight away.

Within minutes we were

ANNETTE, S. YORKS

snogging and stripping each other, ending up with her straddling me on the settee.

She rubbed her knickers up and down my shaft and over my balls. Then she

draped them over my face. As I breathed in the scent of her, she just rose up and then powered down on my prick, taking it into her tight, wet snatch. Then she screwed me hard, pumping me with her inner muscles. I tried to hold back - I was meant to be the experienced one! But it still only took me a couple of minutes to cum, shooting my load inside her.

She shuffled up my body, playing with the spunk and juices that were dripping out of her, letting them splash all over my chest. She said she'd got bored of lads her own age - that's why she'd come up to the gig alone. She'd hoped to pull an older bloke in the crowd, but then she'd realised I'd do nicely.

James, Sheffield.

Spa-ing Partner

My best friend Philippa and I just went on a spa break. She's a bit of a fitness freak and talked me into coming running with her in the grounds first thing in the morning. I agreed

- seeing how toned and beautiful her body was from exercise would have given anyone a reason to try it.

On the second morning, as we turned around to head back, Philippa said, "Race you!" I knew I didn't stand a chance of beating her, but I just went for it anyway. I was panting for breath by the time I caught her up, but the two of us were on a high.

She gave me a big hug, then we walked to our room, arms slung around each other.

Immediately we went inside it, Philippa ducked into the bathroom and turned on the shower. "Fuck off! You had the first shower yesterday," I said. She blew a raspberry at me but wasn't quick enough

to stop me coming into the bathroom. She was halfway through undressing, but I just kicked off my trainers and ducked under the shower in all my running gear.

She laughed, but she was looking at me too, at the way my already tight outfit clung to my body. I took off my top, knowing she'd be able to see my nipples through my wet white sports bra. That was enough for her – now totally nude, she got under the shower with me, fingers walking down over my spine to caress my arse cheeks as

covered with foam – such a horny sight, especially when I melted it all off again with the shower. She asked me to scrub her back, so she turned around and I grabbed the sponge and more gel. Her skin was extra-soft and gorgeous from a beauty treatment she'd had the day before, so just running my hand over it was a treat. Then I worked my way down, kneeling

and pussy for a wash.

"Well, I reckon you can safely say I'm bi now," I said.

because her head was under the shower. I think she got the message as I started running my tongue up and down her furrow. She took over soaping her own body as I licked her, little shudders running through her whenever either of us hit a sensitive spot. It took a while and a bit of experimentation, but eventually I had her cumming, her pussy going into spasm around my fingers as I sucked on her clit.

"Shame the shower's fixed to the wall," she said, as we kissed underneath the spray and her fingers found my cunt. I guessed what she

HER PUSSY SPASMED ROUND MY FINGERS

she kissed me.

She grabbed my bottle of shower gel and squirted it down in her shower, so it would lather up as we rubbed our bodies together. This left her tits and stomach all

on the shower mat, my face level with her bum. I told her to bend over and she did, parting her legs slightly so her crack and slit opened up, exposing her arse

"Do what?" answered Philippa, unable to hear me

had in mind – what girl hasn't used a shower against her clit, or at least been tempted to give herself a bit of a thrill from time to time?

She didn't bring me off right then and there – instead we dried each other off and got into her bed. She rummaged in her make-up bag and got out this mini vibrator. It may have been small but it had a kick to it – she switched it on and touched it to my clit as she went down on me, her tongue working in and out of my hole as she moved the vibrator over my bud. I'd used sex toys before, but having my gorgeous friend do it for me was such a massive turn-on – I suddenly started cumming and it felt like I wasn't going to stop.

Back at home, there are times I'll gaze at her mouth while she's talking, imagining her kissing me again. I think she's getting tempted too! Nicci, Guildford.

I prefer smoking Hamlets to watching them, but busty bookworm and Shakespeare fan Brooke (right) may convert us yet. It would be a tragedy if you didn't go right now and check out her performance in our centre pages. Her Globes are fantastic, but I particularly enjoyed her *Coriolanus*.

REAL WIFE SEX

Cath,

Cath's new fella discovers her secret life as a wannabe porn star. Is he upset? Is he fuck...

THE DIRECT

When I was married, my ex and I did a few home-made pornos. Mostly they were shot by us handheld or with a camcorder on a tripod, although we once got one of his mates to film us shagging on holiday. I'd pretty much just done it to please my husband at the start, but found myself really getting into it.

He put together a "highlights" tape and, for some daft reason, I couldn't quite face chucking out my copy of it when we split up. To be honest, it slipped my mind, which is probably how it ended up on the shelf where I kept all my other videos – where my new bloke, Mick, found it. He called me from the living room and I walked in to find him

watching me go at it doggie-style on screen.

He wasn't pissed off or jealous – he just thought it was funny how much I was tarring for the camera – looking right at the lens as I munched my ex's cock. But he was turned on by it too – so was I, to my surprise. I didn't fancy my ex any more but I had at the time, and it really showed.

"Maybe we should take this upstairs," said Mick, and he spent the next hour glued to it, while I wanked and sucked his cock. His favourite scene was obviously the doggie-fucking – he kept rewinding to it and, in the end, he had me on all fours, both of us facing the TV. He's a fantastic shag, but I couldn't remember the last time he'd given it to

PORN'S CUNT!

me that hard. The only difference was my ex was playing the porn star – big fucking poser – so he pulled out when he came, while Mick stayed in me and gave me a cuntful of jizz.

Of course, Mick wanted to make home pornos after that, but while we had fun shooting them and watching the playback, he finally confessed that what had really got him off was watching another man slip me a length. I gave it a bit of thought and said I was up for pulling someone else, no strings, as long as I got to choose who.

Mick had some say – he wanted it to be a younger guy than him, and bigger built, and that gave me an idea. Some of the girls at work had been leching over this bunch of Polish guys who drank in a pub near our office, and the next time they

went to flirt with them, I joined them.

The one who caught my eye, Josef, wasn't the loudest or the best-looking, there was just something about him. Maybe I picked up on the fact that he was a right dirty bastard!

**I shut my eyes
and relished the
warm shower**

After a bit of chat and a beer, I told him straight what I had in mind. I wasn't walking out of there with him – my colleagues saw me as a respectable married woman – but I gave him my number and told me to call within the hour if he was interested.

He rang, I gave him our address, and 20 minutes later, he arrived. I opened the door wearing a matching bra, knickers, stockings and sussies set.

Mick had the camcorder set up and filmed me strutting my stuff while Josef necked a bottle of beer. Then we got on the mattress that had been set up in the middle of the room. It was just white sheets and pillows, because Mick didn't want any distractions from the sex.

It turned out Josef was a graduate student, doing some labouring in the UK to save up some money. And, right from the off, he showed his kinky streak. Although he'd been respectful in the pub, the two of them wanted him to treat me like a sex toy. He talked to Mick like I

Cock sure

I've been called a big-headed bastard in my time, and I won't deny

it. But one thing I'm not is a bullshitter. I may mouth off about doing something, but every word of it will be the truth – nothing added.

One night recently I was down my local, telling the lads about a girl I'd shagged at the weekend.

I must have been talking even louder than I thought – which is saying something. About half an hour later, I was chatting up this seriously fit girl at the bar. She let me give her all this chat for a bit, then smiled sweetly and said, "What, do you want to do me a favour – like you did for that other bird last weekend?"

She said that, much as she wanted to

hate me for my attitude, the stuff she'd heard me say had turned her on. And if I wanted to go home with her, she was leaving right now. I followed her out.

Her name was Abi, and once we were back at hers, she didn't waste any time. Her clothes were soon lying in a heap on the floor, and it looked like she

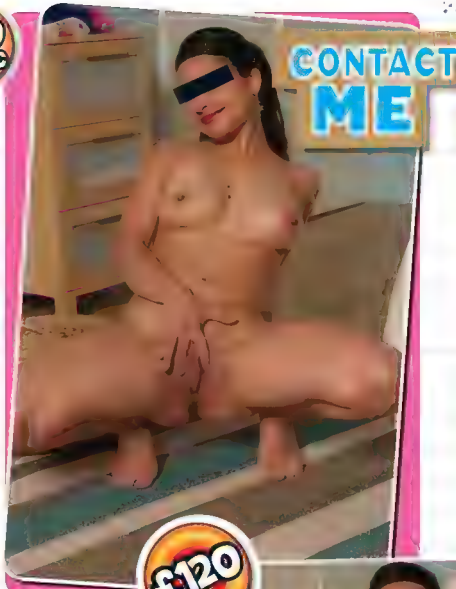

hadn't even bothered with underwear before going out. There was a leather armchair in one corner of the room and she bent over it, hands braced on the arms. A few snogs and a couple of quick feels through her clothes had been enough to get her pussy juices flowing nicely.

I used some of them to wet my cock, rubbing myself stiff. I wanted her as much as she wanted me,

but I decided to make her wait while I enjoyed the sight of her horny bum. I played with it, trying to work out where I wanted to fuck her first. The pussy seeping its fresh wetness, or the tight pink arsehole just above it.

The decider was when I touched my fingertip to her bumhole, feeling a little quiver. Wetting my finger in more of her juices, I started easing it inside, moving it in little circles as I pushed in just that little bit deeper every time, until it was up her arsehole right to the knuckle.

As she reacted, her

breathing getting fast and shallow, I told her I bet she'd like my cock up there even better. That I'd never fucked a girl who hadn't loved it. I laid the arrogant bullshit on really thick. For all she reckoned, perhaps even believed, she hated it, something deep inside her was really loving it.

I pulled it out again, watching for another little quiver of anticipation. Then, just as slowly, I pressed my cock up to her arsehole, slathering on loads more juices before pushing in. I never rush anal and this time I just hung on, cock deep inside her arse. Abi stayed still, too, breathing deeply and just relishing the size of me. Then I reached around and started frigging her clit.

"Go on, then," I grunted. "Tell me how much you like my cock..." She hung on for ages, silent, but when I started pulling it out, she virtually begged me to stay inside her until she came.

I obliged, telling her it worked both ways - I loved

her tight arse too. And I gave it a playful slap, sincerely hoping it would annoy the fuck out of her. I think it did, as she took it out on my dick, slamming back and clenching tight around it. I brought her off, feeling her arse pulse around my shaft, then I lost it totally too, pumping loads of spunk inside her butt.

The following morning, she asked what I'd be telling my mates about her down the pub. I said I'd tell them I was coming back for seconds that night. And that's exactly what happened!

Jasper, Southport.

Slathered in oil, Sophia looks as fit for the oven as she does for the bedroom – if she could just find an apple to cram in her mouth. And she's looking for lucky readers to slam in the lamb and give her a good basting. "I have rubber sheets at home and lots of oils and creams for massages and slippery sex. Showing off

My bloke Mark would never want me screwing around on him, but he likes to show other men what he goes home to at night.

He never tells me to cover up – quite the opposite.

Recently, we decided to have a bit of fun. This bloke Warren, who Mark knows through his business – a bit of a pain in the arse to be honest – was calling round to make a sales pitch, so we

to the bedroom. He tried to excuse himself, obviously not keen to get involved in a domestic, but Mark told him if I wanted to make an exhibition of myself, he might as well hang around and enjoy it.

"Here we go," Mark said, as I walked in naked, holding a vibrator. "This is going to be fucking spectacular." One look at the big tent in his trousers told me that, but Warren was looking everywhere but there! Now he'd accepted he was

in this surreal situation he seemed happy enough to get an eyeful of me.

I got on one of the chairs, flinging my legs east and west over the arms. "What now?" I said to Mark. "Have I accidentally flashed a bit of

against the leather seat.

I let myself go floppy, savouring every moment of our little set-up as I recovered. Then I got up, threw the vibrator on the floor and stormed back off to the bedroom.

Mark dashed after me, mostly so Warren wouldn't

can guess what he needed to do in there!

I half-tore off Mark's trousers to get at his cock, the two of us were so fired up. He was as hard as I've ever seen him, and he threw me back on the bed so he could bang his swollen monster into my gushing

decided to wind him up.

We let him settle on the couch with a drink, then after a couple of minutes I walked through in my dressing gown. Mark introduced us and, as I shook Warren's hand, I accidentally-on-purpose let my tit fall out. Mark made some sarky remark about how it might be nice if I wore some clothes when we had company.

As agreed, I went right into bunny boiler mode, and said I'd wear anything I liked in my own house, including nothing. And with that I shrugged off the robe, leaving myself completely naked, except for a little gold ankle chain.

Warren's jaw dropped, but I let him have a good look before stomping off back

pussy?" Understatement of the year – Warren had a great view up my snatch, which was starting to juice up nicely.

I started to frig it, plunging my fingers in and out and using the other hand on my clit. I could see Warren was dying to ask me to use my vibrator, so I did. The chair was big enough that I could lie right back, feet on the arm rests and arse right on the edge.

Then I held the toy up in the air before stuffing every inch of it that I could take into my hole. This wasn't just for show – as I fingered my clit again, I could feel myself get close to cumming.

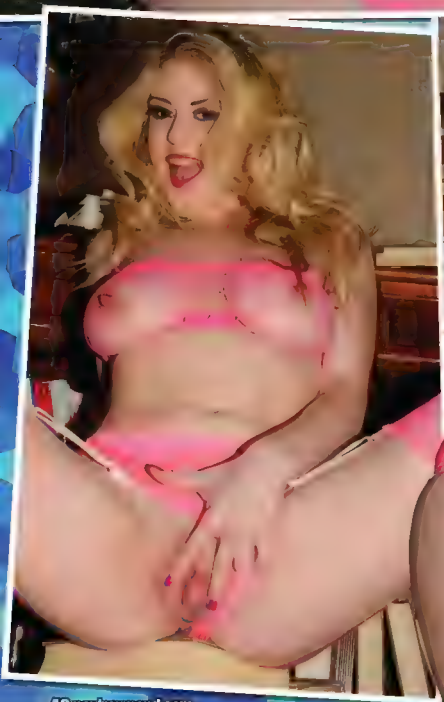

Then, with it deep inside me, I orgasmed, moaning out loud and writhing around

Brooke

We can't think of anything worse than going to a book club, but if pretty in pink Brooke here was running it, we might be tempted. "We read *Fifty Shades Of Grey* in book club at my house last month. It certainly broke the ice more than *Pride and Prejudice*. I ended up trying out some of the scenarios with Adrian, one of the members, after everyone else had gone. He tied me up, spanked me and fucked both of my holes while reading parts to me. He says we'll try Henry Miller next month!"

**Sascha's strip

32 no 10 led
to a dirty
weekend of
double dicking
with readers**

Dear Escort,

After reading through all my fan mail, my partner and I decided to meet up with a horny couple from Preston.

We all met up in a pub. I instantly recognised Sarah from her photos. Her husband Dave and my other half Keith hit it off straight away and after a few drinks Dave suggested that we should all go back to theirs.

When Sarah stood up to leave, I caught a glimpse of her tiny white thong through her tights which instantly made my pussy get wet - it was all I could think of on the way back to theirs.

She must have read my mind because as soon as we were back at theirs she ran her hand between my legs, making me push my soaking mound onto her hand.

During dinner, Dave couldn't keep his eyes off my legs and I could tell he was trying to work out if I was wearing stockings.

Sarah soon found out the answer! We left Keith and Dave drinking downstairs while we went upstairs to take a look at some of the dirty photos she had been taking.

When we got up to their room, Sarah suggested I made myself a little more comfortable. I took off my jumper, knowing that my erect nipples would be visible through my sheer blouse. She obviously liked what she saw as she instantly leaned over to kiss me.

She slid her hand between my legs and remarked on how wet I was already so I stood up and took off my knickers to give her a better look. I then took off my blouse so I was left in just my

AWESOME FOURSOME!

stockings and boots.

She got on her knees between my legs and started to tongue my pussy. I could see Sarah rubbing her own pussy through her tights. I decided to get onto my knees too so I could get a feel of her. She was very damp and when I started to stroke her my three fingers quickly slipped inside her with ease. She started to buck on my fingers and came nearly straight away.

We called our men up who were shocked by our state of undress. They soon had massive hard-ons bulging through their jeans though.

Dave came straight over and went straight down on my pussy while Sarah got his

cock out and started sucking him off. Keith then knelt by my head and offered me his cock to suck on but, to my surprise, Sarah quickly crawled up the bed, sat on my face and began to suck Keith's cock.

By now, Dave had shoved a couple of fingers up me and I was on the verge of cumming. I started to buck on his face when all of a sudden he rammed his entire cock up my eager pussy causing me to explode immediately. It wasn't long before Sarah was cumming too, gushing her sticky juices all over my face as I greedily tried to lick them all up.

Sarah and I decided it was the boys' turn for some

making sure it was all gone before we got started on Keith.

We laid him down on the bed, held him down and set to work. We took it in turns sucking on his throbbing cock as he felt for our still sticky pussies, somehow managing to finger us both while getting his dick sucked.

As Sarah continued to suck his shaft, I held his balls in my hands and then sucked on them. I could feel how tight they were, and felt them tighten even more as Sarah sucked away. Soon his sticky load was shooting on to the pair of us. This time it was Sarah's turn to lick me

clean. fun so we started to suck them off together. We started on Dave first and it wasn't long before he was shooting his hot spunk all over Sarah's huge tits which I licked clean,

clean.

After a short rest we were soon at it again. What was meant to be one night of fun turned into a whole horny weekend!

REAL WIFE SEX

Cath's story continued from page 19

wasn't there, saying if he had a wife who behaved like I did, he'd give her a good spanking.

Mick saw the twinkle in his eye just told him to go ahead – he knows that

He fucked me raw then came over my bottom

I can be pretty twisted myself! And so I had to crouch down over his lap. My knickers had a G-string back, so my cheeks were totally bare. Josef stroked and patted them at first, then started to palm them harder, building up to a full-on slap. He kept it up until my flesh was glowing bright red.

Of course, I played along, wriggling and squealing, although Josef never took it too far.

"You sorry for being a slutty wife?" he asked me. "Never!" I said.

He snapped his fingers and pointed to his cock, just saying "Suck." I crouched in front of him, face in his crotch, taking his helmet in my mouth. My arse was full on to Mick's camera, and Josef was tugging on my G-string, so the flimsy gusset of my knickers disappeared in between my engorged labia. Mick played it cool, even though I knew he'd have a right wankfest watching all this back.

Now Mick told me to stop sucking – he wanted to see us fuck. But I decided to keep playing the bad wife and ignored him. Josef

wasn't going to stop me, not given what I was doing with my mouth on his cock.

When his first jet of cum came, I took it on my tongue, then – smacking my lips for the full effect – I pulled him out with my hand, pointing his cock at my face. I shut my eyes and just relished the thick, warm shower of it spraying everywhere. Then I crawled over to the camera, making sure Mick got it in detail, tongue flicking out to catch a stray trickle running down near my lips.

My flimsy gusset disappeared in my engorged labia

While Josef recovered, I redid my make-up, and stripped off my bra and knickers for the camera. Then I got him hard again, by wanking him against my tits. This time I gave my husband what he wanted, turning sideways on to the camera and spreading my legs slightly. The two of them messed around with me a bit, Mick telling Josef how he wanted

me positioned, and Josef moving me about like I couldn't manage to get it right on my own.

At last, Josef started using his cock to tease my slit, calling me insatiable, unfaithful. I braced myself but still felt a shockwave go through me as he ploughed in, then wiggled and

slammed my arse back to meet his thrusts. For me, it's one of the sexiest bits of the film – the sound his crotch made thumping up against my bum. It didn't seem like he was pacing himself, but I felt like he'd fucked me raw before he finally pulled out and spunked a load all over my hot, red bum cheeks.

We offered to let him crash for the night, but he had other places to be.

Anyway, Mick and I couldn't wait to watch our film. His cock was threatening to drill through his trousers – he was so worked up he came within about a minute of me starting to suck him. But he had plenty more where that came from, and I was taking it well into the early hours. ☺

KEIRA

"I recently took on a lodger to help pay the bills, but it's my lodger's todger that's come in more handy," confesses Keira. "One day he walked into my room when he thought I was out and caught me, legs akimbo, with a dildo sliding in and out of my pussy. He got really flustered and left, but I couldn't stop thinking about how horny it was to be busted wanking! I turned up in his bed naked the same day and made him fuck me!"

Smoking hot

Recently I was sat a bench in my local park, smoking a cigarette, when this really gorgeous-looking girl, Carly, came up and sat next to me. She asked if she could have a drag – she'd given up the day before but now she was gasping for one.

The way her lips puckered and pouted round it, and the way she was just sucking on it, with little heavy breaths, like she was trying to extract every tiny bit of pleasure from it. Put it like this, if she enjoyed fucking half as much as sucking on a fag, she was probably the ride of some bloke's life.

When she finished, she

CARLY,
DERBYSHIRE

a couple of ciggies left, and when we'd smoked them I told her I had more back at mine. She took the hint.

Back at mine, she lounged in my big comfy chair, putting on a show as she smoked yet another fag. Then she unbuttoned her top to expose her braless tits, then I saw her black lace thong, underneath her dark-red skirt, as she pulled it sideways and dipped the fingers of her free hand into her cunt.

It just looked like the ultimate pleasure as she let out a deep sigh, blowing out this big

EVERY INCH OF MY COCK WAS ENGULFED

flicked it away and had to stretch her leg to stomp it out with the bottom of her shoe. Her skirt rode up – a couple of inches higher and I'd have known what colour knickers she was wearing. I soon found out anyway. I only had

stream of smoke.

Like she'd done with all the others, she smoked that ciggie down to the filter, by which time my cock was throbbing. Then she took something from her bag and chucked it over – a tube of lubricant. Unsubtle,

Dairy milked

I'm doing a postgrad course and, to make ends meet, I work in an all-night garage near where I live, taking a lot of overnight shifts. As the only all-night place for miles, we get a lot of regulars who just pop by for milk and stuff.

One morning, just gone 5am, this girl called Lauren, who I'd often chatted to, staggered in. She was

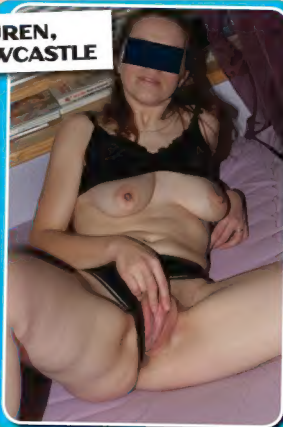

obviously straight off the night bus after a night out clubbing. She wasn't that pissed, just buzzing – you know, that stage when you're too wired to sleep? She said she'd split up with her bloke during the week, and her mates had taken her for a hardcore girls' night out. "Just a big shame I didn't pull – that would have shown the fucker!" she laughed.

"You've still got one last chance to pull... if you want it," I said.

She was well up for it, but I still had an hour to go before I knocked off. I didn't want her going home and ending up sparko by the time I called round, so I sat her down in the back room with a sneaky can of beer and some chocolate while I served another customer.

About five minutes later, she called me through. There was no one else in the shop now, so it wasn't a problem. I

LAUREN,
NEWCASTLE

she giggled and layed. She started playing with my cock, rubbing the melted chocolate all over my shaft. Then she looked at it for a moment, saying, "Every girl's fantasy!" before going down on me.

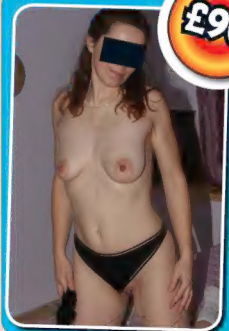

I like to think it was my hard-on as well as the chocolate which got her going like she did. She made the filthiest slurping sounds, and didn't care that she was getting smeared of chocolate all round her mouth.

She just looked

SHE TILTED HER HEAD UP AND SHUT HER EYES

walked through to find she'd melted a square of chocolate on her palm. "Drop 'em!"

so gorgeously slutty, her make-up already smudged after her night out, as she

£90

I thought, but that wasn't the half of it. She pulled her cheeks wide apart and traced around the rim of her arsehole with a painted nail. The lube-tube was half-empty, suggesting this wasn't the first time she'd taken a length up the arse.

Sure enough, my fingers just sank into her bum, then I pulled them out and touched my cock up to it. Just one little whimper as my helmet stretched her ring, then she took me in deep. Reaching under her body, I stroked her thighs and stomach, making her squirm back against my prick. And as I started to fuck her, she wiggled around like a lap dancer against my crotch.

Every inch of my cock was being engulfed and squeezed, the inside of her bum all warm and tight around it. I tried to hold back but didn't really have a chance, so when she asked me to go faster, I just banged away until I emptied my balls up her hot little hole.

Obviously I lit up cigarettes for both of us post-fuck, although, even as we smoked them, we decided on a pact to quit. I've got a pack of Carly's favourite brand hidden away, just in case she calls round, totally desperate!

Scott, Derby.

Spoilt rotten

One afternoon, after a surfing lesson, I was rinsing off under the outdoor shower while Jules, the instructor, hosed the salt from our wetsuits. Then his mate Martin came out to have a ciggie. "You jammy bastard..." I heard him say, while looking at me - he'd been stuck teaching a bunch of schoolkids how to surf.

Feeling a bit naughty and horny, I asked if one of them would soap my back. It could have caused a fist fight, but Jules steamed in. Martin looked pissed off, so I splashed some water on him.

He ran under the shower, fully clothed, tickling me, then Jules said maybe we should go into the staff changing room.

Three minutes later that's where we were, picking up where we'd left off, only this time I wasn't wearing my bikini. The two blokes stripped off and

quite as tall as Jules but this was still a bit of a knee-trembler for him, his crotch bumping up against my crack as he shagged up into me.

ADELE, CORNWALL

Then I bent forwards so I could suck on Jules's dick and fondle his bollocks as Martin spanked my bum. My skin was still a bit damp from the shower, which made the slaps sound louder.

I love sucking cock and Jules's helmet was big and juicy so I took my time with it. Soon he was pumping in and out of my mouth, so I had to grab him round the root and control how deep he went. With his helmet getting all the attention, he didn't last much longer. One moment I heard

FINGERS ON MY CLIT, HE HUMPED ME HARD

explored my body, especially my boobs, bum and pussy. Then they both got on their knees, Martin rimming my arsehole while Jules tongued my clitoris.

Now Martin stood up, his cock ploughing in between my arse-cheeks. I wasn't sure which hole he was aiming for now - I left it to him - but I sighed with pleasure as I felt him enter my cunt. He wasn't

him groan, the next he was filling my mouth with spunk. Hearing his mate cum, Martin pulled out, wanting to get a bit of control back. I stood up and opened my mouth, showing him the spunk before swallowing the whole load.

That was too much for him - with Jules supporting me from behind and playing with my tits, Martin lifted up one of my legs and humped into

me really hard, fingers on my clit so I came just before he lost his load too.

I can't wait for my next surfing lesson! Adele, Cornwall.

glanced up to make eye contact. It just got me going even harder, bucking my hips as she wanked me into her mouth.

When I felt my bollocks begin to tighten, I asked if she would let me come on her face, thinking that would be the ultimate slutty look. She said that turned her on too, with the right bloke.

I pulled out of her mouth and she tilted her head up, pouting her lips and shutting her eyes. Then she jacked me hard and fast until my spunk spurted out, splashing pearls all over her face. I asked if she'd be up for me snapping a photo. Luckily she was but the image would have stayed with me anyway!

I'm ashamed to admit that when I got her home, it was me who flaked out almost immediately. When I woke up an hour later, she was watching one of my porn videos, three fingers jammed up her wet cunt.

She wasn't offended that

I'd gone to sleep on her, but the second she had me hard she straddled my cock and started to ride me. I used my fingers on her clit and held back so I'd last till she'd cum, but when her pussy started to orgasm, that set me off again.

I fired my second load of spunk in a few hours right up her snatch, sucking on her tits to tease out the last spasms of her cum...

Pete, Newcastle.
